

5th WATER LOSS BALKANS FORUM AND EXHIBITION

31 August - 1 September 2023
Constanta Exhibition Pavilion, Romania

ORGANISERS

PARTNERS

Dear Colleagues and Collaborators,

As you have already been informed, the **WATER LOSS BALKANS FORUM** shall take place from August 31st to September 1st 2023, at Constanta Exhibition Pavilion.

The brief Forum agenda may be seen [here](#) or as detailed in **ANNEX 1**.

During the **WATER LOSS BALKANS FORUM**, the following events are scheduled:

- **‘EQUIPMENT AND TECHNOLOGIES FOR THE DETECTION, MONITORING AND MITIGATION OF WATER LOSS’** specialized exhibition. Visitors have free access. In order to contract exhibition spaces, please see the plan set out in **ANNEX 2**. Exhibition responsible: Mr. Daniel CRAIA (mobile: +040 730 221 195; email: daniel.craia@ara.ro).
- **«Water Loss Mitigation – an ‘obligation’ or a ‘source of revenue’» International Technical-Scientific Conference**
- **Seminars and workshops:**
 - Network zoning and DMA design
 - Pressure management and clients’ consumption metering
 - Strategies and solutions to reduce non-revenue water
 - Relevant IT solutions and smart water networks.

Details below can also be accessed at: <https://www.waterlossbalkans.com/>. Select the translation feature of the *website* into the desired language, e. g. Romanian, appearing on the home page.

- Companies interested in participating at the **EQUIPMENT AND TECHNOLOGIES FOR THE DETECTION, MONITORING AND MITIGATION OF WATER LOSS'** specialized exhibition may sign up by accessing this link >>> **Exhibition**.
